

HOW TO ACCESS GRADUATION ASSESSMENTS

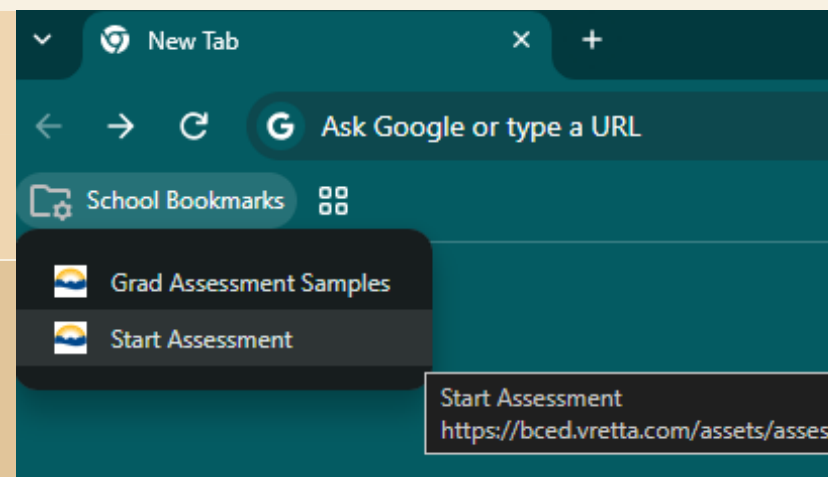

CHROMEBOOK

STEP
01

Sign in to a Chromebook with SD61 Learn student account.

STEP
02

Click the 'Start Assessment' link from the bookmark bar.

CHROMEBOOK - ACCESS VIA DIRECT LINK

<https://bced.vretta.com/assets/assessment-lock/index.html>

BC Graduation Assessments

Launch the secure assessment environment. Select your device below to open the application.

It looks like you're using a **Chromebook**. We've highlighted the recommended link.

Chromebook

Open via Vretta web app

YOUR DEVICE →

Windows

Launch Assessment Lock on PC →

Open the following link in Google Chrome to **Access Graduation Assessments**

Click the highlighted Chromebook link to initiate the Assessment Lock and navigate to the assessments.

STEP
01

STEP
02

STEP
03

After the student enters their login information and confirms their name, the Assessment Lock Chrome extension will activate. This provides a locked-down environment which prevents access to normal Chromebook functionality (like opening additional tabs).
